## How to access Tokai from Mito-city using the JR-Line

Those who will stay at Mito-city are expected to use a train (East Japan Railway company: JR-East) to come to Tokai-station. The name of the line you should take is called “Joban-line”. Please take the train for Takahagi or Iwaki. The time table is as follows. Some trains terminate at Katsuta and are not shown in the table. The train departs from the platform No.3 or .4 (photo). The ticket costs JPY 230 and is purchased at the machine (photo).
