Organization of ASRC

JAEA

●Evaluation Committee of Research Activities for Advanced Science Research

Evaluation of R&D Themes

Advanced Science Research Center

Director General: Sadamichi Maekawa

Deputy Director General: Yuichiro Nagame

●Advisors:
Naoto Nagaosa (The University of Tokyo)
Samuel Bader (ANL, USA)

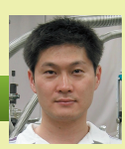

●Reimei Research Evaluation Committee

※R.G.= Research Group

Advanced Materials Research

R.G. for Condensed Matter Theory
Group Leader : Michiyasu Mori

R.G. for Molecular Spintronics
Group Leader : Seiji Sakai

R.G. for Mechanical Control of Materials and Spin Systems
Group Leader : Eiji Saitoh

Frontier Research on Heavy Element System

R.G. for Reactions Involving Heavy Nuclei
Group Leader : Andrey Andreev

R.G. for Superheavy Elements
Group Leader : Mattias Schädel

R.G. for Actinide Materials Science
Group Leader : Zachary Fisk

R.G. for Condensed Matter Physics of Heavy Element Systems
Group Leader : Shinsaku Kambe

Research on Radiation Field Effects

R.G. for Hadron Physics
Group Leader : Ken-ichi Imai

R.G. for Bioactinide
Group Leader : Toshihiko Ohnuki

R.G. for Radiation and Biomolecular Science
Group Leader : Akinari Yokoya

R.G. for Spin-Polarized Positron Beam
Group Leader : Atsuo Kawasuso
