

JAEA

•ASRC Research Evaluation Committee

Advanced Science Research Center

Evaluation of R&D Themes

•Advisors:
Naoto Nagaosa (Tokyo Univ.)
Samuel Bader (ANL, USA)
•Reimei Research Evaluation Committee

Director General:
Sadamichi Maekawa

Deputy Director General:
Yuichiro Nagame

Research Coordination and Promotion Office
General Manager: Yuichiro Nagame

※ R.G. = Research Group

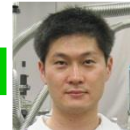

R.G. for Condensed Matter Theory

Group Leader : Michiyasu Mori

R.G. for Molecular Spintronics

Group Leader : Seiji Sakai

R.G. for Mechanical Control of Materials and Spin Systems

Group Leader : Eiji Saitoh

Advanced Materials Research

R.G. for Reactions Involving Heavy Nuclei

Group Leader : Andrey Andreev

R.G. for Actinide Materials Science

Group Leader : Zachary Fisk

R.G. for Superheavy Elements

Group Leader : Mattias Schädel

R.G. for Condensed Matter Physics of Heavy Element Systems

Group Leader : Shinsaku Kambe

Frontier Research on Heavy Element System

R.G. for Nuclear and Hadron Physics

Group Leader : Ken-ichi Imai

R.G. for Bioactinides Chemistry

Group Leader : Toshihiko Ohnuki

R.G. for Radiation and Biomolecular Science

Group Leader : Akinari Yokoya

R.G. for Spin-Polarized Positron Beam

Group Leader : Atsuo Kawasuso

Research on Radiation Field Effects

※This chart shows the organization of ASRC in FY2010-2014.
