

Organization of ASRC

JAEA

• Evaluation Committee of Research Activities for Advanced Science Research

Evaluation of R&D Themes

Sector of Nuclear Science Research

Advanced Science Research Center

Director General:
Makoto Oka

Deputy Director General:
Hidehito Asaoka

Evaluation of R&D Themes

• Advisors:
Naoto Nagaosa (Tokyo Univ.)
Samuel Bader (ANL, USA)
• Reimei Research Evaluation Committee

Research Coordination and Promotion Office
Director: Hidehito Asaoka

※ R.G. = Research Group

Advanced actinides science

R.G. for Heavy Element Nuclear Science

Group Leader : Andrey Andreev

R.G. for Interfacial Reaction-field Chemistry

Group Leader : Bernd Grambow

R.G. for Hadron Nuclear Physics

Group Leader : Hirokazu Tamura

Advanced nuclear materials science

R.G. for Materials Physics for Heavy Element Systems

Group Leader : Shinsaku Kambe

R.G. for Spin-energy Transformation Science

Group Leader : Eiji Saitoh

R.G. for Nanoscale Structure and Function of Advanced Materials

Group Leader : Katsuyuki Fukutani
