

834th ASRC Seminar

Date: 3月 13日(月), 14:00 ~ 15:30

Location: 第2センター会議室(302号室)
及びZoomによるオンライン開催

Speaker: Igor I. Strakovsky 氏
(George Washington University)

Title: $S = -1$ Strangeness Study in
Photoproduction at Jlab

Abstract:

Decades-long interest in $S = -1$ low energy in photoproduction experiments and theoretical development. I will focus on several examples of the Lambda family: $\Lambda(1116)$, $\Lambda(1405)$, $\Lambda(1520)$, and $\Lambda(1330)$.
