Presentations on the web

- We will put your presentations on the website of the Workshop
- You will be contacted soon and asked to provide a new version of your presentation (if you want to change something in comparison with the file we have on the Workshop's laptop)

The background of the slide is a photograph of a sunset or sunrise over a body of water. The sky is a deep blue at the top, transitioning through lighter blue and yellow to a bright orange and red near the horizon. The water is dark blue and reflects the colors of the sky. In the distance, a city skyline is visible along the horizon line.

We hope to see you for the next edition of
this meeting

Have a safe trip home!
