

From Narita/Tokyo to Tokai JR-Station or Mito JR-Station

The easiest way to come to the Tokai and/or Mito-city is to use the Shuttle Bus, "Rose Liner" (JPY 3000). The ticket can be purchased at the ticket counter (see the location below). The bus stop is at the No.8 (Terminal 1) and No.10 (Terminal 2) at 1F.

Those who will book a hotel at Mito-city can get off the bus at "Mito JR-Station (South Exit)". You can also directly come to the "Tokai JR-Station (East Exit)".

Workshop place

The workshop will be held at the ASRC building in the Nuclear Science Research Institute at Tokai.

Access from Tokai-station to Nuclear Science Research Institute

Taxi is available at the East Exit of Tokai-station. It costs about JPY 1500.

How to access Tokai from Mito using the JR-Line

Those who will stay at Mito-city are expected to use a train (East Japan Railway company: JR-East) to come to Tokai-station. The name of the line you should take is called "Joban-line". Please take the train for Takahagi or Iwaki. The time table is as follows. Some trains terminate at Katsuta and are not shown in the table. The train departs from the platform No.3 or .4 (photo). The ticket costs JPY 230 and is purchased at the machine (photo).

From Mito-station to Tokai-station (JR-Line)
