

## Access and Transportation from Narita Airport to “Advanced Science Research Center”

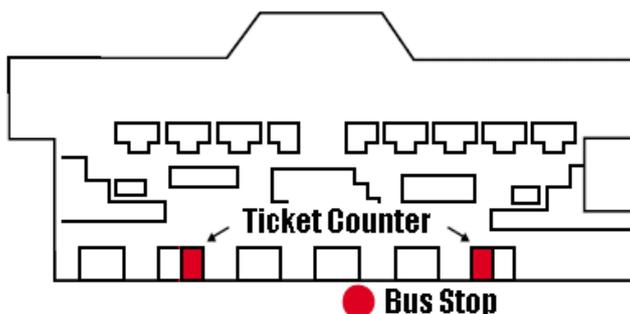

### 1. by Bus

From the Narita Airport, the most convenient way to reach “Advanced Science Research Center” ( “ASRC” ) is taking the Limousine Bus “**Rose Liner**”. The tickets of the Rose Liner are available at the ticket counter (cf. fig.1, fig.2). Please purchase the ticket for “**Tokai-Station the East Exit**” (cf. fig.3) with 3,000yen. It takes approximately 2hr. and 30min. from Narita Airport to “Tokai-Station the East Exit”

Departure :

## 2. by Train

It takes about 2hr. and 45min. from Narita Airport to “Tokai” station by train, and costs approximately 6,000yen (one-way ticket).

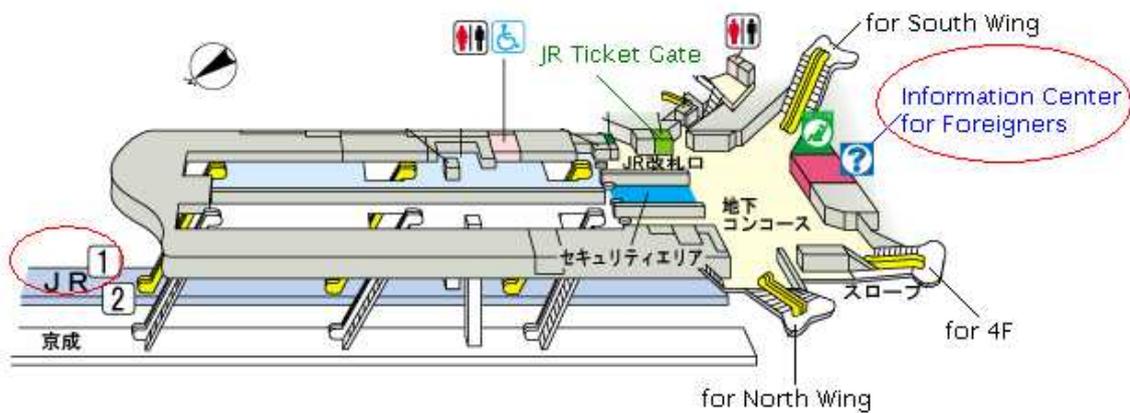

Please purchase the ticket to “Tokai” station. The tickets are available at the “Information Center for Foreigners” (fig.6.2, fig.7.2) .Take the “Narita Express” Line to “Tokyo” station, and you will have to change to “Yamanote” Line for “Ueno” station. Then, change to “Joban” Line for “Tokai” station. We recommend you to use limited express “Super-Hitachi” for “Mito” station, and change to local train for “Tokai” Station.
